INDUCTION CUM-ORIENTATION PROGRAMME

Date of Event	14.08.2025
Name of the Event	MENACE OF RAGGING
Type of the Event	ANTI RAGGING
Conducted by	School of Commerce
No. Of Participants	65

OBJECTIVE: The primary objective of the program was to create awareness among students about the harmful effects of ragging, sensitize them to the legal consequences, and encourage a safe, inclusive, and respectful campus culture. The event aimed to reinforce the university's zero-tolerance policy against ragging and promote a friendly environment for all students, especially fresher's.

DETAILS: The Anti-Ragging Awareness Program was organized by Department of Commerce.. The event was conducted with the objective of sensitizing students about the ill effects of ragging, spreading awareness regarding the legal consequences, and reinforcing the university's commitment towards maintaining a ragging-free campus. Faculty members, staff, and students from various courses actively participated in the program, which aimed at creating a safe, inclusive, and supportive environment, especially for the first-year students. The program commenced with a welcome address who highlighted the importance of discipline, respect, and peer support within the academic community. The speaker also motivated senior students to act as mentors and guides for juniors rather than engaging in any activity that may harm them physically or emotionally. To strengthen the message, all participants collectively took an Anti-Ragging Pledge, affirming their responsibility to promote a positive and harmonious atmosphere on campus. An interactive session was also conducted where students expressed their views on how to maintain a ragging-free culture and clarified their doubts regarding complaint mechanisms and helpline facilities. Informative pamphlets, posters, and brochures carrying anti-ragging messages and important helpline numbers were distributed among students for further awareness.

The event concluded with a vote of thanks delivered by appreciating the efforts of the organizers, guest speakers, faculty members, and student participants. Overall, the program proved to be highly impactful, as it not only educated the students about the dangers and consequences of ragging but also encouraged them to collectively work towards building a safe and respectful learning environment.

TAKEAWAY (OUTCOMES):

The Anti-Ragging Awareness Program proved to be highly beneficial as it reinforced the institution's strict zero-tolerance policy towards ragging and educated students about the legal framework, UGC guidelines, and punishments associated with such activities. The session encouraged the development of a safe and inclusive campus culture where every student feels respected and supported. Special emphasis was placed on fostering positive senior-junior bonding, with seniors acting as mentors and guides rather than indulging in harmful practices. Students were also made aware of the various reporting mechanisms, helpline numbers, and grievance redressed cells available to them, which empowered them to raise concerns without hesitation. The collective pledge taken during the program instilled a sense of shared responsibility among all participants to ensure a ragging-free environment. Moreover, the interactive discussions reflected the enthusiasm and commitment of students to contribute actively towards building a respectful, harmonious, and welcoming campus atmosphere.
