WORLD IODINE DEFICIENCY DAY

Date of Event	17.10.2025
Name of the Event	World Iodine Deficiency Day
Type of the Event	Extension Activity
Conducted by	School of Nursing
No. Of Participants	19

OBJECTIVE:

To raise awareness among the public about the importance of iodine in maintaining good health and preventing iodine deficiency disorders and role of iodine in growth, brain development, and metabolism.

DETAILS:

The School of Nursing, ARKA JAIN University, celebrated World Iodine Deficiency Day on 17th October 2025 at Musarikudar Village, Time 09:00 am onwards. The event was organized in association with the Student Nurses Association of India (SNAI) and Samaritan – The Nursing Club under the flagship of Unnat Bharat Abhiyan (UBA). The main objective of the program was to create awareness among the community people regarding iodine deficiency, its causes, risk factors, signs & symptoms, prevention, and management and educate the community about the importance of iodine in maintaining good health, spread awareness about the causes and consequences of iodine deficiency, promote the use of iodized salt in daily diet and empower the community with preventive and management measures for iodine deficiency disorders. The program began with an inaugural speech by students of the School of Nursing, highlighting the importance of iodine in preventing goiter and other related disorders. Nursing students presented health talks, role plays, posters, to explain the role of iodine in human health. Interactive sessions were conducted where community members actively participated by asking questions and sharing their knowledge about dietary habits. The Program was conducted under the guidance of Prof. Ginu Anie Joseph (Principal) & Prof. Shilpa J (Vice Principal) School of Nursing.

TAKEAWAY (OUTCOMES):

The students know about the significance of iodine and its deficiency-related disorders and Community members gained knowledge about identifying symptoms and incorporating preventive practices, such as using iodized salt and maintaining a balanced diet.
