### OBJECTIVES:

The primary objective of the "Diwali with Antyodaya" visit was to instill a sense of **social responsibility** and empathy among the MBA students. Specifically, the event aimed to:

- Provide students with a **different perspective** on life, moving beyond their academic and corporate focus to engage with the marginalized sections of society.
- Spread joy and festive cheer on the occasion of Diwali, making the day **happier** and memorable for the children at the **Adarsh Seva Sansthan**.
- Promote community engagement and volunteering, demonstrating the **practical implications** of good citizenship and humane conduct.

### DETAILS:

The event was successfully organized by the **MBA Program** in association with the **National Service Scheme (NSS), AJU**. Students from both the MBA Batch 2024-26 and 2025-27 participated enthusiastically in this voluntary outreach program.

The students visited the **Adarsh Seva Sansthan**, a dedicated **social service organization** that focuses on improving lives through critical programs like nutrition, emergency outreach, childcare, and children's rights.

The event was strategically conducted on the festive day of **Diwali**. Prior to the visit, students demonstrated immense generosity and compassion by voluntarily contributing funds to procure various essential and celebratory items. These contributions were used to buy:

**Gifts** (e.g., toys, stationery)

**Packed food items**

**Daily use items** (e.g., hygiene and sanitation products)

The students personally distributed these items, spending quality time interacting with the underprivileged children, sharing festive warmth, and demonstrating the true spirit of giving.

### TAKEAWAYS (OUTCOME)

The "Diwali with Antyodaya" initiative was an unqualified success, yielding significant emotional and educational outcomes for the students and immediate positive impact for the children.

**Student Impact:** The event served as a powerful lesson in **empathy and gratitude**. Students gained a crucial "different perspective," recognizing the importance of giving back and understanding the challenges faced by the children. It fostered a deeper sense of **critical thinking** regarding societal welfare and the role of privileged individuals.

**Social Impact:** The program succeeded in its core goal of making the children **happier** on the festive day. The distribution of gifts and essential supplies provided immediate, tangible support to the Sansthan and its beneficiaries, aiding the organization's mission to improve lives.

**Program Success:** The joint effort between the MBA Program and NSS showcased effective collaboration and highlighted the commitment of the institution to **holistic development** and **leadership qualities** rooted in social concern. The high level of voluntary contribution and participation validated the program's success in promoting active citizenship.

The event powerfully illustrated that the true celebration of a festival lies in lighting up the lives of others.

Jamshedpur News: दिवाली के अवसर पर अरका जैन यूनिवर्सिटी के एमबीए विभाग के छात्रों ने सामाजिक जिम्मेदारी का उदाहरण पेश किया। सोनारी स्थित आदर्श सेवा संघ के आश्रय में रहने वाले बच्चों के बीच जाकर उन्होंने खिलौने और चॉकलेट वितरित किए। इस पहल का उद्देश्य त्योहार की खुशियां उन बच्चों तक पहुंचाना था जो अक्सर ऐसे पलों से वंचित रह जाते हैं।
