Subject: Observance of National Cyber Security Awareness Month (NCSAM) – October 2025

आदरणीय महोदय/महोदय,

In continuation of our previous communication (File No.: 1-1/2025(e-gov), dated 12.09.2025) regarding dissemination and promotion of the UGC Handbook on “*Basics of Cyber Hygiene for Higher Education Institutions*” and Cyber Security sessions during Deeksharambh (Student Induction Programme), you must be aware that October is observed annually as the **National Cyber Security Awareness Month (NCSAM)**. This year, the theme is “**Cyber Jagrit Bharat**” (**#CyberJagritBharat**), aimed at increasing awareness of cyber hygiene, digital safety, responsible online conduct, and protection of digital assets across all Higher Education Institutions (HEIs).

In alignment with this initiative, you are requested to conduct awareness activities as per indicative list given below:

- Conduct workshops/webinars.
- Organize Cyber hygiene campaigns for employees/users.
- Organize cyber security awareness quizzes.
- Carry out phishing simulation exercise.
- Conduct cybersecurity leadership round tables to increase awareness of latest cyber security threats.
- Run innovative social media campaigns regarding cyber hygiene and cyber security best practices to promote adoption by all stakeholders.
- Support campaigns of other Ministries/departments on social media, where appropriate
- Organize vulnerability patching competitions among the entities under your administrative control.
- Reward employees following best cyber security practices.
- Conduct cyber security drills to test response capabilities against latest and most prevalent threats.
- Conduct drive to update inventory of all IT assets.
- Conduct drive to complete Cyber Security Audit of all unaudited Applications (websites/web portals/ Mobile Apps etc.)/ systems.

You are requested to circulate these details within your institution and take initiatives to design innovative and impactful campaigns to increase cyber security awareness. Such efforts will help ensure a safe and sound digital environment for present as well as upcoming generations.

NATIONAL CYBER SECURITY AWARENESS MONTH A SEMINAR ON CYBER JAGRIT BHARAT

Date of Event	24.10.2025 and 29.10.2025
Name of the Event	National Cyber Security Awareness Month A Seminar on Cyber Jagrit Bharat
Type of the Event	Awareness of Trends in Technology, National Commemorative Day or Month
Conducted by	School of Pharmacy in Association with DQAC and BHESAJAM Club
No. Of Participants	50

OBJECTIVE:

To raise awareness about cyber security and promote safe and responsible online practices. It aims to educate participants on recognizing and preventing cyber threats while emphasizing the importance of data protection and privacy. Through interactive sessions and expert guidance, the program seeks to enhance digital safety skills and encourage vigilant online behaviour, aligning with the vision of Cyber Jagrit Bharat to build a secure and digitally empowered nation.

DETAILS:

School of Pharmacy, ARKA Jain University, Jharkhand in association with DQAC and BHESAJAM Club organized a “National Cyber Security Awareness Month In Association with DQAC and BHESAJAM Club Conducts seminar on Cyber Jagrit Bharat on 24.10.2025 and 29.10.2025” starting promptly at 11:30 AM onwards. The two-day workshop on Cyber Security Awareness Month aimed to educate students about the importance of cyber safety, data protection, and responsible digital behavior in today’s technology-driven world. The seminar, conducted by Mr. Akash Kumar Bhagat, focused on building awareness about common cyber threats, ethical internet usage, and practical measures to safeguard personal and institutional data. Through interactive sessions, live demonstrations, and real-life case discussions, students gained valuable insights into password security, phishing awareness, safe social media practices, and the responsible use of digital platforms. The workshop also emphasized the importance of cybersecurity in professional and academic settings, fostering a sense of digital responsibility among participants. The event created an engaging learning environment where students actively participated in discussions and shared their experiences.

During the sessions, students learned how to identify suspicious links, fake websites, and fraudulent emails commonly used in phishing attacks. They were introduced to techniques for creating strong and secure passwords, the use of two-factor authentication, and the importance of regular software updates to prevent security vulnerabilities. The concept of digital footprint and its long-term impact on online privacy

was discussed in detail, helping students understand how personal data can be tracked and misused. Participants also learned about safe practices for online banking, handling personal information on social media, and protecting their devices from malware and ransomware attacks. Mr. Bhagat highlighted several real-world cybercrime incidents to illustrate the consequences of negligence and the need for vigilance in the digital space. The program was coordinated by: Dr. Nikita Nayak, Ms. Priyabati Choudhury, Mr Atal Bihari Singh.

TAKEAWAY (OUTCOMES):

- Understanding different types of cyber threats such as phishing, malware, and data breaches.
- Importance of creating strong passwords and enabling two-factor authentication.
- Awareness of digital footprints and the need for privacy protection on social media.
- Safe practices for online transactions and email communication.
- Recognizing and reporting cyber frauds and suspicious activities.
- Importance of ethical digital behavior and responsible information sharing.
