**NATIONAL EDUCATION DAY-2025**

<b>Date of Event</b>	<b>13.11.2025</b>
<b>Name of the Event</b>	<b>National Education Day-2025</b>
<b>Type of the Event</b>	<b>Participative learning programme</b>
<b>Conducted by</b>	<b>Ms. Debangini, Department of Optometry, ARKA JAIN University</b>
<b>No. Of Student's Participants</b>	<b>20</b>

**OBJECTIVE:**

The primary objective of the event was to create awareness about the role of optometry education in eye care, vision health, and overall healthcare services. The program aimed to motivate students to understand the growing importance of optometry as a professional and academic discipline.

**DETAILS:**

The Department of Optometry, Arka Jain University, organized an event to commemorate National Education Day, emphasizing this year's theme, "The Importance of Optometry Education." National Education Day is observed to honor the birth anniversary of Maulana Abul Kalam Azad, India's first Education Minister, and to highlight the significance of education in national development.

The event commenced with a welcome address by the Department of Optometry, who briefed the audience on the relevance of National Education Day. For this seminar, we invited as a speaker, Mr Rakesh K Yadav, from TMU, Moradabad, UP. He emphasises the importance of Optometry education in perspective to career and opportunities. This was followed by informative sessions and presentations highlighting:

- The scope and career opportunities in optometry
- The role of optometrists in preventing and managing visual impairment
- Advancements in optometry education and clinical practices

The event effectively highlighted the importance of optometry education in national health development and professional growth.

The theme "The Importance of Optometry Education" was effectively addressed by focusing on the contribution of optometry professionals in reducing the burden of preventable blindness. The sessions emphasized how structured education, continuous training, and research-oriented learning are essential for producing competent optometrists capable of meeting global eye care standards.

**TAKEAWAY (OUTCOMES):**

The celebration of National Education Day with the theme “**The Importance of Optometry Education**” was informative and inspiring. The event successfully highlighted the significance of optometry education in building competent eye care professionals and promoting public eye health.

The event achieved several important outcomes:

- Enhanced awareness among students about the scope and significance of optometry education
- Improved understanding of career opportunities and higher education pathways in optometry
- Motivation among students to pursue excellence in clinical skills and research
- Reinforcement of the importance of ethical practice and lifelong learning in eye care
- Strengthened academic engagement between faculty and students

Overall, the program successfully inspired participants to recognize optometry education as a vital pillar of the healthcare system.
