OBJECTIVE:

To spread awareness about the conservation and protection of elephants, especially in the Dalma Wildlife region.

DETAILS:

The NSS volunteers of ARKA JAIN University actively participated in the “Walk for Gajraj” programme held on 3 October 2025. The event was a remarkable initiative of the Forest Department, East Singhbhum, Dalma Range, aimed at spreading awareness about the conservation and protection of elephants, especially in the Dalma Wildlife region.

The awareness walk commenced from Van Bhavan and culminated at Jubilee Park Gate, gathering enthusiastic participation from students, environmentalists and members of civil society. Under the dynamic leadership of Dr. Manoj K. Pathak, NSS Coordinator-in-Charge, the volunteers showcased strong commitment towards wildlife preservation by holding placards, chanting slogans, and interacting with the public about the importance of harmonious coexistence with elephants.

During the walk, forest officials highlighted the ecological significance of elephants, their crucial role in maintaining forest biodiversity, and the need to address challenges such as human–elephant conflict. The volunteers gained valuable insights into the ongoing conservation efforts in the Dalma Range and pledged to contribute as responsible citizens.

The programme successfully instilled environmental consciousness among students and strengthened the spirit of community service—one of the core values of NSS. The participation of NSS volunteers from ARKA JAIN University not only enriched their learning experience but also supported a noble cause of protecting the gentle giants, popularly revered as Gajraj.

OUTCOME: The initiative enhanced awareness about wildlife conservation and sensitization of youth towards environmental challenges.
