OBSERVATIONAL VISIT TOHEMODIALYSIS UNIT

Date of Event	17.12.2025
Name of the Event	Observational visit To Hemodialysis unit
Type of the Event	Awareness of Trends in Technology
Conducted by	School of Nursing
No. of Participants	18

OBJECTIVE-

The objective of the visit was to help students understand the structure and working of a haemodialysis unit, learn the principles of haemodialysis, observe nursing roles, and understand infection control and patient safety measures.

DETAILS:

The School of Nursing organized an observational visit to the Haemodialysis Unit at MGM Hospital, Jamshedpur, for B.Sc. Nursing 4th semester students Session (2023-2027) on 17/12/2025 at 10:00 am as a part of their clinical learning experience. The visit was planned to provide students with practical exposure to dialysis procedures and to enhance their understanding of renal care. During the visit, students were oriented to the layout of the haemodialysis unit and introduced to the dialysis machines and related equipment. The staff nurse, technician, and nephrologist explained the entire procedure of haemodialysis, including patient preparation, care of vascular access, monitoring during dialysis, and post-dialysis care. Students also observed strict infection control practices, machine disinfection procedures, and the documentation maintained in the unit. The visit was conducted under the leadership of Principal Prof. Mrs. Ginu Anie Joseph and the guidance of Vice Principal Prof. Shilpa J, with the authorization of Pro Vice Chancellor Prof. Dr. Angad Tiwari.

TAKEAWAY (OUTCOMES): Students gained practical knowledge of haemodialysis, identified machine parts and vascular access, observed nursing care, learned infection control practices, understood complications, and connected theory with clinical practice.
