Date: 3.12.2025

One-Day Symposium on Environment

This is to inform all concerned that the National Service Scheme (NSS) Cell, ARKA JAIN University, in association with Shiksha Sanskriti Uthhan Nyas, is organizing a One-Day Symposium on the theme:

"Environmental Future of Jharkhand: Challenges, Conservation & Community Action"

Date: 13 December 2025

Time: 10:00 AM to 5:00 PM

Venue: Jesh Auditorium, University Campus

Chief Guest: Shri Sanjay Kumar Swami, National Environmentalist

The symposium aims to create awareness about environmental challenges in Jharkhand and to encourage conservation practices and community participation for a sustainable future.

Faculty members, students, NSS volunteers, and staff are cordially invited to participate in the programme and make it a grand success.

All Deans/HoDs are requested to encourage maximum participation from their respective departments.

One-Day Symposium on “Environmental Future of Jharkhand: Challenges, Conservation & Community Action”

Date of Event	15 Nov., 2025
Name of the Event	One-Day Symposium on “Environmental Future of Jharkhand: Challenges, Conservation & Community Action”
Type of the Event	Symposium
Conducted by	National Service Scheme (NSS)
Organizing Coordinator	Dr. Manoj K Pathak, NSS Coordinator-in-Charge
No. of Participants	117

OBJECTIVE:

To pay homage to the sacrifices of tribal heroes and recognize the vibrant identity of Jharkhand.

DETAILS:

The National Service Scheme (NSS) Cell of ARKA JAIN University, Jamshedpur, in collaboration with Shiksha Sanskriti Utthan Nyas, successfully organized a One-Day Symposium on “Environmental Future of Jharkhand: Challenges, Conservation & Community Action” on 13 December 2025 at the Jeh Auditorium.

The symposium aimed to create awareness about the pressing environmental challenges faced by Jharkhand and to deliberate on sustainable conservation strategies with active community participation. The programme brought together academicians, environmental experts, forest officials, students, and NSS volunteers on a common platform to discuss policy, practice, and people-centric approaches to environmental sustainability.

The programme commenced with the inaugural session, which set the tone for thoughtful deliberations throughout the day.

The inaugural address was delivered by Prof. (Dr.) S. S. Razi, Hon'ble Chairperson, Board of Management, ARKA JAIN University. In his address, Prof. Razi emphasized the urgent need to balance development with ecological responsibility. He highlighted the role of educational institutions in fostering environmental ethics among youth and applauded the NSS Cell for organizing a theme-based symposium of contemporary relevance.

The welcome address was presented by Prof. (Dr.) Angad Tiwary, Pro Vice-Chancellor, ARKA JAIN University. He extended a warm welcome to all dignitaries, resource persons, faculty members, students, and NSS volunteers. Dr. Tiwary underscored the

importance of interdisciplinary dialogue in addressing environmental issues and reiterated the university's commitment towards sustainable development and community engagement.

Dr. Amit Kumar Shrivastav, Registrar, ARKA JAIN University, addressed the gathering and highlighted the administrative and institutional initiatives taken by the university to promote environmental consciousness, social responsibility, and sustainable campus practices.

The symposium featured insightful sessions by eminent resource persons who shared their expertise, experiences, and practical insights.

Mr. Sanjay Kumar Swamy, Senior Environmentalist & Convenor, Shiksha Sanskriti Utthan Nyas delivered a comprehensive lecture on the environmental challenges confronting Jharkhand, including deforestation, mining-induced degradation, water scarcity, and loss of biodiversity. He stressed the importance of community-driven conservation models and emphasized grassroots participation as the key to sustainable environmental management.

Mr. Nitish Kumar, Divisional Forest Officer (DFO), Porhat elaborated on forest conservation efforts, wildlife protection measures, and government initiatives aimed at preserving forest ecosystems in Jharkhand. He highlighted the role of forest departments in collaboration with local communities and urged students to actively participate in conservation and afforestation drives.

Dr. Naim Akhtar, Director, Tata Steel Zoological Park spoke on biodiversity conservation and wildlife management. He shared best practices adopted at Tata Steel Zoological Park for species conservation, habitat enrichment, and environmental education. His talk sensitized participants to the importance of protecting flora and fauna for ecological balance.

Dr. Vijay Kumar Singh, Dean, Planning & Development, Sarla Birla University, discussed sustainable development planning and the integration of environmental policies with educational frameworks. He highlighted the role of higher education institutions in research, innovation, and capacity building for environmental sustainability.

Dr. Kavita Parmar, Convenor, Shiksha Sanskriti Utthan Nyas, Jamshedpur, emphasized the cultural and social dimensions of environmental conservation. She spoke about value-based education, indigenous knowledge systems, and the need for community awareness programmes to promote responsible environmental behaviour.

The programme concluded with a Vote of Thanks delivered by Dr. Manoj Kumar Pathak, Organizing Secretary and NSS Programme Officer. He expressed heartfelt gratitude to the Hon'ble Chairperson, Pro Vice-Chancellor, Registrar, esteemed resource persons, organizing partners, faculty members, NSS volunteers, and students for their active cooperation and support, which ensured the grand success of the symposium.

The One-Day Symposium on “Environmental Future of Jharkhand: Challenges, Conservation & Community Action” proved to be a significant academic and social initiative. It reinforced the importance of environmental stewardship, community participation, and institutional responsibility. The event successfully aligned with the objectives of the NSS by promoting social awareness, environmental responsibility, and youth engagement for sustainable development.

OUTCOME: The symposium witnessed active participation from faculty members, NSS volunteers, students, and research scholars of ARKA JAIN University and of Universities and colleges across the Jharkhand state. The interactive sessions encouraged meaningful dialogue, question-answer interactions, and idea-sharing among participants.
