### UNNAT BHARAT ABHIYAN CELL CIRCULAR

Ref. No.: AJU-UBA/04/2025

Date: 01/12/2025

#### Edu-Kit Distribution at Kuldigha

Dear UBA Cell Members,

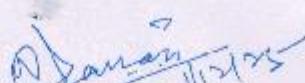

This is to inform all concerned that ARKA JAIN University, under the banner of its Unnat Bharat Abhiyan (UBA) Cell, is organising an Edu-Kit Distribution Programme at Kuldigha Primary School, Kuldigha—one of the adopted villages of AJU under UBA on 4<sup>th</sup> December, 2025.

The programme will be led by Dr. Manoj Kumar Pathak, UBA Cell Co-coordinator, along with members of the UBA team. The initiative aims to support school children by providing essential educational materials and encouraging holistic learning at the grassroots level.

Faculty members and student volunteers associated with UBA are requested to join the visit and contribute to the success of this outreach activity.

The bus will leave AJU Campus at 8.30 AM, therefore, all must report to the bus parking area by 8.15 AM on 4<sup>th</sup> Dec., 2025.

For further details, kindly contact the undersigned.

## Edu-Kit Distribution at Kuldiha

<b>Date of Event</b>	<b>04.12. 2025</b>
<b>Name of the Event</b>	<b>Edu-Kit Distribution at Kuldiha</b>
<b>Type of the Event</b>	<b>Extension Activity</b>
<b>Conducted by</b>	<b>Unnat Bharat Abhiyan (UBA) Cell</b>
<b>Organizing Coordinator</b>	<b>Dr. Manoj K Pathak, PI Co-coordinator</b>
<b>No. of Participants</b>	<b>11</b>

### OBJECTIVE:

Developmental and educational outreach activities in the region.

### DETAILS:

ARKA JAIN University's Unnat Bharat Abhiyan (UBA) Cell organized an Edu-Kit Distribution Programme on 4 December 2025 at Kuldiha Primary School, one of the adopted villages of AJU under the UBA initiative. The programme was led by Dr. Manoj K. Pathak, UBA Cell Co-coordinator, with an aim of guiding developmental and educational outreach activities in the region.

The event began with an interactive session with the schoolchildren, where the team encouraged the students to engage actively in their studies and shared motivational insights about the importance of education in shaping their future. The atmosphere was filled with excitement and enthusiasm as the children eagerly participated in the interaction.

Following this, essential Edu-Kits—including notebooks, pencils, pens, colouring materials, geometry sets, and basic learning aids—were distributed among all the students. The distribution aimed at supporting their academic needs and reducing material barriers to learning. The children expressed joy and gratitude upon receiving the kits, which will assist them in their classroom activities and daily study routines.

Teachers of Kuldiha Primary School appreciated the initiative taken by the UBA Cell and highlighted how such support strengthens the learning environment of the village. They also acknowledged the continued efforts of AJU toward community development.

Dr. Pathak addressed the gathering and reiterated the commitment of ARKA JAIN University to promoting quality education, social responsibility, and holistic development in its adopted villages. He emphasized that such initiatives foster stronger community-institution relationships and create meaningful educational impact at the grassroots level.

**OUTCOME:** Reaffirmed the University's dedication to empowering rural communities through sustained educational outreach.
