## The Genesis

ARKA JAIN University was established in the year 2017 by the Jharkhand State Legislature under “The ARKA JAIN University Act” and is recognized by UGC. It is the first state private university in the Kolhan region (comprising of three districts) of the state.

Accredited with NAAC ‘A’ Grade in the first cycle, the first state private university in Bihar, Jharkhand and West Bengal to have this distinction.

The university has the necessary affiliations, recognitions and memberships from such bodies as AICTE, BCI, PCI, OCI, INC, JNRC, AIU, ASCO.

AJU is an ISO-certified “Educational Organization Management System” University.

ARKA JAIN University has been ranked as the 52nd Best Private University in India in the India Today-MDRA Best Universities 2024 Rankings. Our BBA and BCA programmes have been ranked 96th and 95th respectively in the Outlook iCare Rankings India’s Top Colleges 2024. Our BBA program has been ranked 184th in the Country in India Today-MDRA Best Colleges Ranking 2024.

## **MESSAGE FROM CHANCELLOR** **ARKA JAIN University**

The essence of ARKA JAIN University lies in its sincere efforts and innovative practices in turning diverse young and unique dreams into reality. The University has always envisioned shaping the ideas and perspectives of individuals, with roots entrenched in strong academics and zeal to challenge the convention.

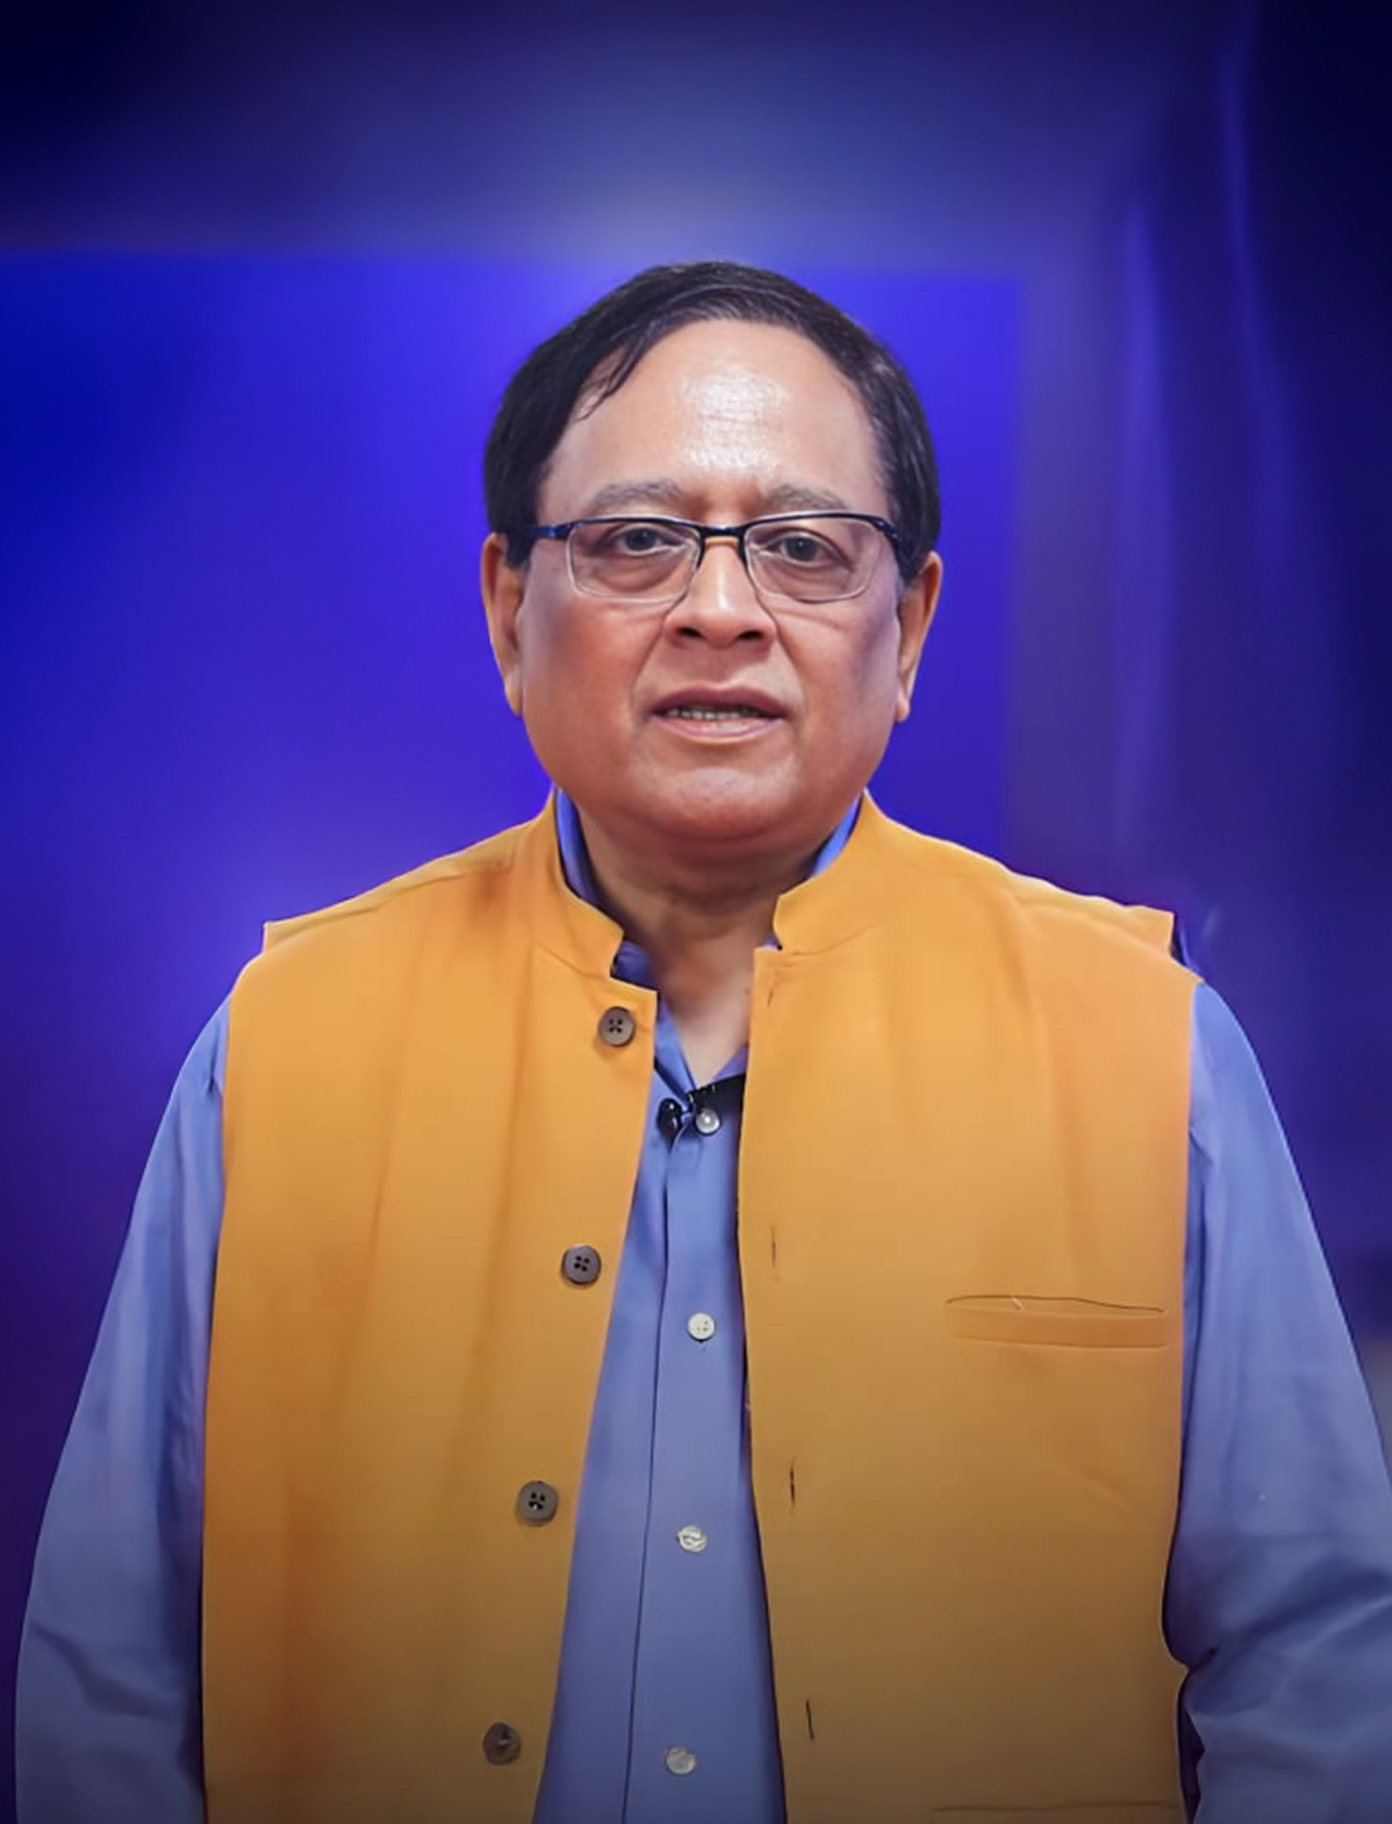

It not only gives me immense pleasure to proclaim the fact that ARKA JAIN University has attained distinguished levels of accomplishment in providing the best career placement services to students but, I also take pride in the career achievements of our students at reputed organizations after campus placements.

This success is a testament to our commitment to academic excellence, industry-aligned training, and holistic development. As we continue to foster a culture of innovation and adaptability, we strive to equip our students with the skills and confidence to excel in an ever-evolving professional landscape.

**Dr. Chenraj Roychand**

## **MESSAGE FROM VICE CHANCELLOR** **ARKA JAIN University**

In today's dynamic global landscape, challenges and opportunities go hand in hand, requiring organizations to continuously adapt and innovate. ARKA JAIN University embraces this reality by fostering a professional learning environment that equips students with strong foundational knowledge and practical skills to excel in their respective fields.

Our industry and academic partners recognize and appreciate the University's distinctive teaching pedagogy, which offers students diverse opportunities for holistic growth. By integrating co-curricular and extracurricular activities into the learning experience, we ensure that students not only develop academic proficiency but also cultivate essential life skills, preparing them for a competitive and evolving professional world.

This holistic approach not only enhances their academic proficiency but also nurtures essential life skills such as leadership, teamwork, and critical thinking. With a strong emphasis on industry integration and experiential learning, the university ensures that its students are well-equipped to navigate the complexities of the ever-evolving professional landscape.

**Prof. (Dr.) Easwaran Iyer**

# TRAINING AND PLACEMENT & TOP RECRUITERS

ARKA JAIN University makes all efforts for proper training and placement of the students. The training activities include workshops, seminars, guest lectures, and other events that provide students with practical skills and knowledge related to their chosen field. These activities are organized by the university's Training & Placement department, academic departments.

Placement activities typically involve connecting students with job opportunities, such as internships, co-op programs, and full-time positions. The University has relationships with employers in various industries and works to facilitate job placements for their students. Career fairs, networking events, and employer information sessions are organized for students to learn about job opportunities and make connections with potential employers.

The goal of training and placement activities is to help students build the skills and connections necessary to succeed in their chosen careers.

The T & P Department has been striving hard to get most of the students placed and it has been successful. The journey continues for better records.
