DETAILS:

The Department of Management – MBA organized a Mentor–Mentee Session for the students of MBA Batch 2024–26 and Batch 2025–27. Students were grouped under their respective mentors, and each group conducted its meeting separately.

The mentors began by explaining the purpose of the session and then discussed key points related to regular classes, attendance, internships, reporting procedures, internal examinations, and various academic, curricular, co-curricular, and extracurricular activities of the department.

After this, the session was opened for mentees to share their inputs. Students were encouraged to speak individually about any concerns, challenges, feedback, or suggestions they wished to offer—whether related to academics or personal situations affecting their studies.

Mentors also maintained a Mentee Diary, documenting the agenda, discussion points, and mentee contributions for reference and follow-up actions whenever needed.

- The mentor–mentee bond strengthens, leading to improved communication and mutual trust.
- Personal and academic concerns are identified early and resolved before they become major problems.
- Mentees improve their ability to prioritize, meet deadlines, and handle various responsibilities efficiently.
- Consistent interactions with mentors help mentees express themselves more clearly, listen attentively, and participate in thoughtful discussions.
