NOTICE FOR STUDENTS

Ref No: AJU/CS&IT/011/2025-26   Date: 12.07.2025

Subject: Registration for Mapped NPTEL Online Courses – July-Dec 2025

Dear Students,

As part of ARKA JAIN University's academic enrichment initiative, students of **MCA Sem III** are encouraged to enroll in **NPTEL (National Programme on Technology Enhanced Learning)** courses for the **July-Dec 2025 duration**. These courses are offered by IITs and other premier institutions and are aligned with your curriculum.

To maintain academic uniformity and ensure relevance, **students must choose only from the NPTEL courses mapped by the department**, corresponding to their year of study.

🎓 **Mapped NPTEL Courses – July 2025 (Program: MCA Sem III)**

Sem	Internal Course Name	Mapped NPTEL Course Title	NPTEL Link
3rd	Machine Learning and Application	Machine Learning and Application	https://nptel.ac.in/courses/106105152

Course Duration	Jul-Sep2025
Enrolments Deadline:	11.07.2025-20.07.2025
Exam Registration:	21.07.2025-30.07.2025

✅ **Benefits of Taking the Mapped Course:**

- If you **successfully pass the NPTEL exam** (usually conducted in October/November) and **submit copy of the marksheet**, you will:
    - **Earn marks** in the mapped internal course.
    - Be **exempted from the university's end-term exam** for that subject.
- The **NPTEL certificate enhances your resume** and is valued by recruiters and academic institutions alike.

Important Guidelines:

- Participation is **not mandatory**, but highly **encouraged**.
- Students who do **not register** or **fail to clear** the NPTEL exam must appear for the **regular end-term exam** of the mapped course.
- Students must **submit a copy of their NPTEL certificate/marksheet** after the result to claim the exemption and credits.

Registration & Support:

- Explore course details via the links provided.
- For any doubts or help with registration, contact your **Program Coordinator** or **Faculty Advisor**.

Take this opportunity to enhance your learning, gain national-level certification, and stand out in academics and placements!

Best Wishes,
