DR. CHENRAJ ROYCHAND
From The Chancellor Desk

WELCOME TO ARKA JAIN UNIVERSITY!

On behalf of the entire ARKA JAIN University (AJU) community, I extend a warm welcome as you consider joining us on your academic journey. AJU proudly upholds a 15-year legacy of shaping young minds. Since its establishment by the JAIN Group of Institutions, Bengaluru in Jharkhand in 2011 as JAIN College Jamshedpur; the institution consistently delivered credible higher education, culminating in the establishment of ARKA JAIN University in 2017, the first state private university in the Kolhan region (comprising of three districts).

We are proud to be the first NAAC A-accredited State Private University in Bihar, Jharkhand, and West Bengal in the first cycle. Our diverse and inclusive student community thrives on vibrant co-curricular and sports engagements, industry-focused workshops, and opportunities to connect with peers who share passions.

As you are on the look-out for a credible higher education institution, I encourage you to discover the multiple opportunities we offer at AJU. Visit our website, connect with the admissions team, or consider a campus tour to experience the AJU spirit first-hand.

We are certain that AJU would be the ideal platform for your academic and professional success. Join us in building a future shaped by innovation, excellence, and a shared commitment to growth!

Warmly,
Dr. Chenraj Roychand

TATA Cummins Ltd -Jamshedpur.

HOSTEL

The University provides well-furnished spacious accommodation and amenities, along with food, for students through its hostels situated in different parts of Jamshedpur. The hostels have air-conditioned (A/C) and non A/C rooms. Each room has bed, almirah, study table and chair. The University provides transportation facility from Hostels to Campus and back.

AAL IS WELL CAFETERIA

Enjoy variety of delicious food options at the aal is well cafeteria, the perfect spot to refuel and recharge. Whether you're grabbing a quick bite between classes or catching up with friends over lunch, our welcoming atmosphere makes the cafeteria a hub for both sustenance and socialization. Unwind and socialize with friends in a relaxed atmosphere, making memories.

TRANSPORT

The University provides transportation facility for the students who opt for availing the same. A fleet of buses ply between the university and various locations of Jamshedpur as well as adjoining areas to pick and drop the students and faculty members. The extensive coverage of various locations of the city ensures that students from across the city and surrounding areas can avail this facility.

GYM

Get fit, stay healthy, and achieve your fitness goals at the state-of-the-art gym facility, an integral part of the campus life! The gym is equipped with all the latest equipment you need for a complete workout, from cardio machines to free weights. With a gym instructor on hand to provide guidance and support, you'll have everything you need to reach your fitness objectives.

VIVACIOUS AND EFFERVESCENT CAMPUS

JAMSHEDPUR

The Steel City Of India / Pittsburgh Of India

Jamshedpur, also known as the Steel City of India/ Pittsburgh of India, is the largest and the most populous city of Jharkhand and the first planned industrial city of India. It is regarded as the industrial capital of Jharkhand. It is home to a host of Tata companies, namely, Tata Steel, Tata Motors, Tata Power, Lafarge Cement, Tinplate, Timken India, Telcon, TRF, Tata Bluescope, JAMIPOL, TAYO, Tata Technologies, Tata Hitachi, Tata Ryerson, Tata Pigments among others along with other leading industrial names. The city was the outcome of the vision of its founder Jamshetji Tata. The city is known for its greenery, cleanliness, planned layout, and has a rich cultural heritage. It is one of the first smart cities of India and was ranked as the fifth cleanest city of India in the year 2023. The city is consistently ranked among the best in India in terms of quality of life it offers. There is a varied and powerful industrial base in the Adityapur Industrial Area of the city, one of the largest industrial centers in India. The Adityapur Industrial Estate has been Asia's largest industrial hub for a while.

ARKA JAIN University, on the virtue of being a leading HEI of the region, has tie-ups with majority of the Tata companies, as mentioned above as well as with other regional and local industries, for the purpose of training, projects, internships, final placement and overall teaching-learning process. The University offers many programs in collaboration with industry players in different domains. This exhibits the unwavering commitment of the University of working with the leading industries of the city thus taking academe-corporate connect to the next level.

Nature lovers are in for a real treat with the following places to visit and experience nature first-hand:
