### OBJECTIVE:

The objective of organizing the *Quiz Competition on “Preservation of the Ozone Layer”* in collaboration with the IT Club was to create awareness among students about the importance of the ozone layer and the global challenges related to its depletion. The event aimed to enhance students’ environmental knowledge, promote sustainable thinking, and encourage active participation through a competitive yet educational platform. It also sought to develop quick thinking, analytical skills, and teamwork while reinforcing the significance of environmental protection in today’s technological era.

### ABOUT THE EVENT:

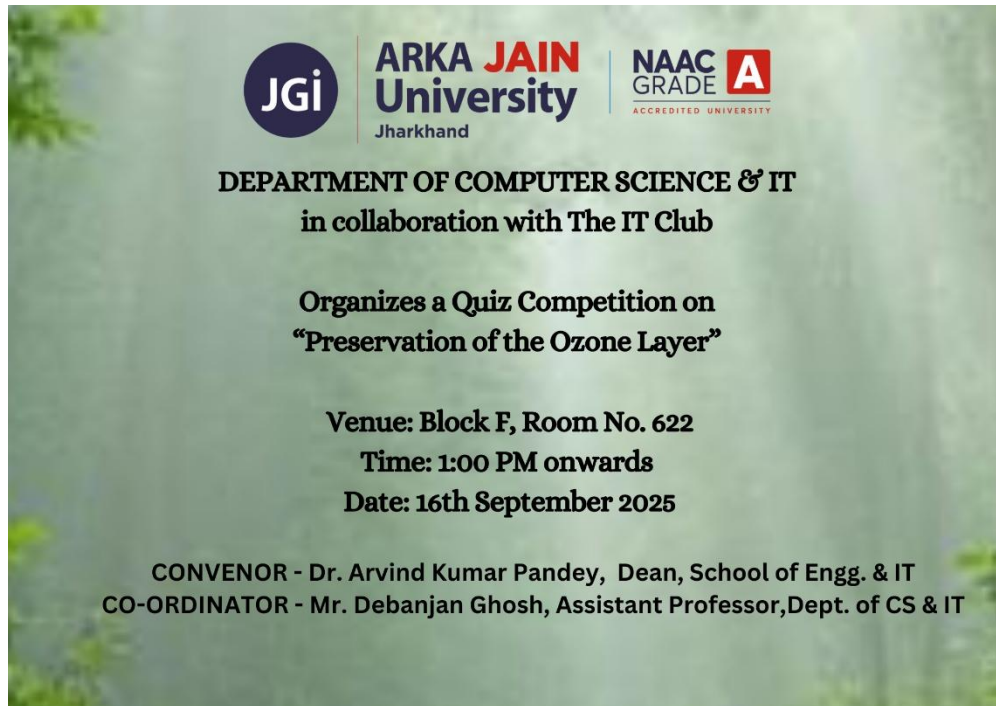

The participative and awareness-driven event “Quiz Competition on Preservation of the Ozone Layer” was conducted on 16th September 2025 in collaboration with The IT Club at ARKA JAIN University, Jharkhand, in observance of World Ozone Day. The quiz competition was designed to assess and enrich students’ understanding of ozone layer depletion, its causes, effects, and preventive measures. A total of 18 participants enthusiastically took part in the competition, showcasing their knowledge and awareness on environmental sustainability. The event was successfully conducted by Mr. Debanjan Ghosh, Mr. Akash Kumar Bhagat, and Dr. Arvind Kumar Pandey, ensuring an engaging and informative learning experience.

### TAKEAWAY (OUTCOME):

The event significantly enhanced participants’ awareness of the ozone layer and the critical need for its preservation. Students gained deeper insights into environmental issues, international protocols, and sustainable practices through an interactive quiz format. The competition encouraged healthy academic rivalry, improved general knowledge, and strengthened critical thinking and decision-

making skills. Overall, the event successfully promoted environmental consciousness while fostering collaborative learning and social responsibility among students.
