TRAINING SESSION FOR GTT HEALTHCARE PLACEMENT DRIVE

Date of Event	27th, 28th, 29th January 2026
Name of the Event	Training Session for GTT Healthcare Placement Drive
Type of the Event	Skill based Training
Conducted by	Centre for Capacity Building and Human Resource Development (CCHRD) and Department of Training & Placement
Resource Persons	Dr. Charu Wadhwa and Ms. Ankita Agarwal
No. of Participants	22

OBJECTIVE: The objective of the Pre-Placement Training Sessions was to prepare students for the GTT Health Care Placement Drive by enhancing their employability skills and industry readiness. The programme aimed to familiarize participants with the recruitment process, expectations of the healthcare sector, and essential workplace competencies. It also focused on improving communication skills, interview performance, and professional behaviour. Another objective was to build students' confidence to face group discussions and personal interviews effectively. Overall, the training was designed to bridge the gap between academic learning and industry requirements.

DETAILS: The sessions were conducted from 27th to 29th January 2026 at the Seminar Hall, Block C, Arka Jain University. The programme was organized by the Department of Training & Placement in association with the Centre for Capacity Building and Human Resource Development. The sessions were facilitated by Dr. Charu Wadhwa and Ms. Ankita Agarwal, who provided structured inputs on aptitude, communication, interview skills, and corporate etiquette. Interactive lectures, practical exercises, mock interviews, and discussion-based activities were included. The training was conducted specifically in preparation for the GTT Health Care Placement Drive.

OUTCOME: Students gained a clear understanding of the recruitment process and job expectations in the healthcare sector. Participants showed noticeable improvement in their communication skills, confidence level, and interview readiness. The sessions helped students develop a professional approach towards group discussions and personal interviews. Students were able to identify their strengths and areas of improvement through guided practice and feedback. Overall, the programme enhanced students' preparedness and positively contributed to their performance in the upcoming placement drive.
