10-DAY EMPLOYABILITY ENHANCEMENT PROGRAM – JANUARY 2026

Date of Event	12th - 22th January 2026
Name of the Event	10-Day Employability Enhancement Program
Type of the Event	Skill based Training
Conducted by	Centre for Capacity Building and Human Resource Development (CCHRD)
Resource Persons	Ms. Vanessa Vanhaften
No. of Participants	48

OBJECTIVE: The 10-Day Employability Enhancement Program was designed to strengthen the overall employability skills of final-year students from B.Tech, Polytechnic, MBA, and MCA programs. The program aimed to bridge the gap between academic knowledge and industry expectations by focusing on communication, aptitude, and professional competencies. It sought to enhance students' confidence, career readiness, and workplace etiquette. Another key objective was to prepare students for placement processes such as interviews, group discussions, and corporate assessments. The program also aimed to make students aware of current industry trends and employer expectations.

DETAILS: The program was conducted over a span of twelve days through interactive sessions, practical activities, and expert-led discussions. It covered essential areas such as communication skills, resume building, interview preparation, aptitude training, teamwork, leadership, and professional behaviour. Sessions were delivered using a mix of lectures, role-plays, mock interviews, group discussions, and case studies. Industry-oriented examples and real-life workplace scenarios were incorporated to enhance learning outcomes. Continuous student participation and feedback were encouraged throughout the program.

OUTCOME: By the end of the program, students demonstrated noticeable improvement in communication skills, self-presentation, and professional confidence. Participants gained clarity about corporate expectations and placement processes. The program helped students develop a positive attitude, improved problem-solving abilities, and enhanced teamwork skills. Students became better prepared to face interviews, group discussions, and aptitude tests. Overall, the program successfully contributed to making students more industry-ready and employable.
