GUEST LECTURE ON “COMMUNICATING & APPLYING RESEARCH FINDINGS”

Date of Event	27.02.2026
Name of the Event	Guest Lecture on “Communicating & Applying Research Findings”
Type of the Event	Guest Lecture Session- Career Counselling
Conducted by	School of Nursing, ARKA JAIN University
No. Of Participants	40

OBJECTIVE:

To enhance understanding of the importance of effective communication in nursing research and to encourage the application of research findings into clinical nursing practice through effective communication.

DETAILS:

The School of Nursing, ARKA JAIN University successfully organized a Guest Lecture on “Communicating & Applying Research Findings” on 27th February 2026 at Block-Aryabhatta, in virtual mode from 10:00 AM onwards for 7th semester B.Sc. Nursing Students. The session was graced by the esteemed keynote speaker Dr. Daisy Abraham, Professor, P.G. College of Nursing, Chhattisgarh. The program commenced with a warm welcome address, introducing the speaker and highlighting the importance of research communication in nursing practice. Dr. Daisy Abraham delivered an insightful and informative lecture focusing on: Effective strategies for communicating research findings, translating research into clinical practice, Ethical considerations in research dissemination and Practical approaches for applying evidence-based findings in nursing care. The session was highly interactive, allowing students and faculty members to clarify their doubts and engage in meaningful discussion. The lecture enhanced participants’ understanding of how research outcomes can be effectively utilized to improve patient care and professional practice. The event was conducted under the guidance of Prof. Ginu Anie Joseph, Principal, and School of Nursing. The program concluded with a formal vote of thanks, expressing gratitude to the speaker for sharing her valuable expertise and to all participants for their active involvement. Overall, the guest lecture was a great success and contributed significantly to strengthening research competencies among nursing students.

TAKEAWAY (OUTCOMES):

Students gained clear understanding of the role of effective communication in successful research practice and developed confidence in presenting research findings through seminars, conferences, and workshops, improved knowledge regarding scientific writing for research reports, articles, and publications.
