These programs aim to create awareness about the harmful effects of corruption and encourage everyone to adopt ethical values in daily life. By involving educational institutions, the CVC seeks to inspire the youth to be vigilant, responsible, and honest citizens. Such initiatives help build a culture of integrity and collective responsibility, contributing to the vision of a corruption-free society.

The School of Law at ARKA JAIN University recently organized a Sensitization Program on Central Vigilance Awareness 2025 which took place on October 31st, 2025.
