

ACADEMIA RANKINGS 'PUBLISHED'

The India Academia Rankings is a comprehensive ranking framework to gauge the Research Excellence and Employability and Startup Ecosystem of HEIs. Research Excellence Rankings (RER) is a conceptual framework to present industry-benchmarks and help establish institutional - reputational yardsticks, with inclusive parameters of research-outputs, research-impact and research-ecosystem. HEIs, not offering PG programs aren't eligible for RER. Employability and Startup Ecosystem Rankings (ESER) exclusively focuses on Students' Achievement(s) in terms of their Placements, Entrepreneurship, Startups and other revenue-generation success models, supported by the initiatives of the respective HEI.

Academia Rankings = RE.R + ESE.R
