**OBJECTIVE:** The objective of organizing “Dev Vani Sanskritam Episode 6” was to promote the understanding and appreciation of the Shrimad Bhagwat Geeta among students. The event aimed to foster spiritual growth, enhance recitation skills, and encourage students to connect with India’s rich cultural and philosophical heritage through Sanskrit literature.

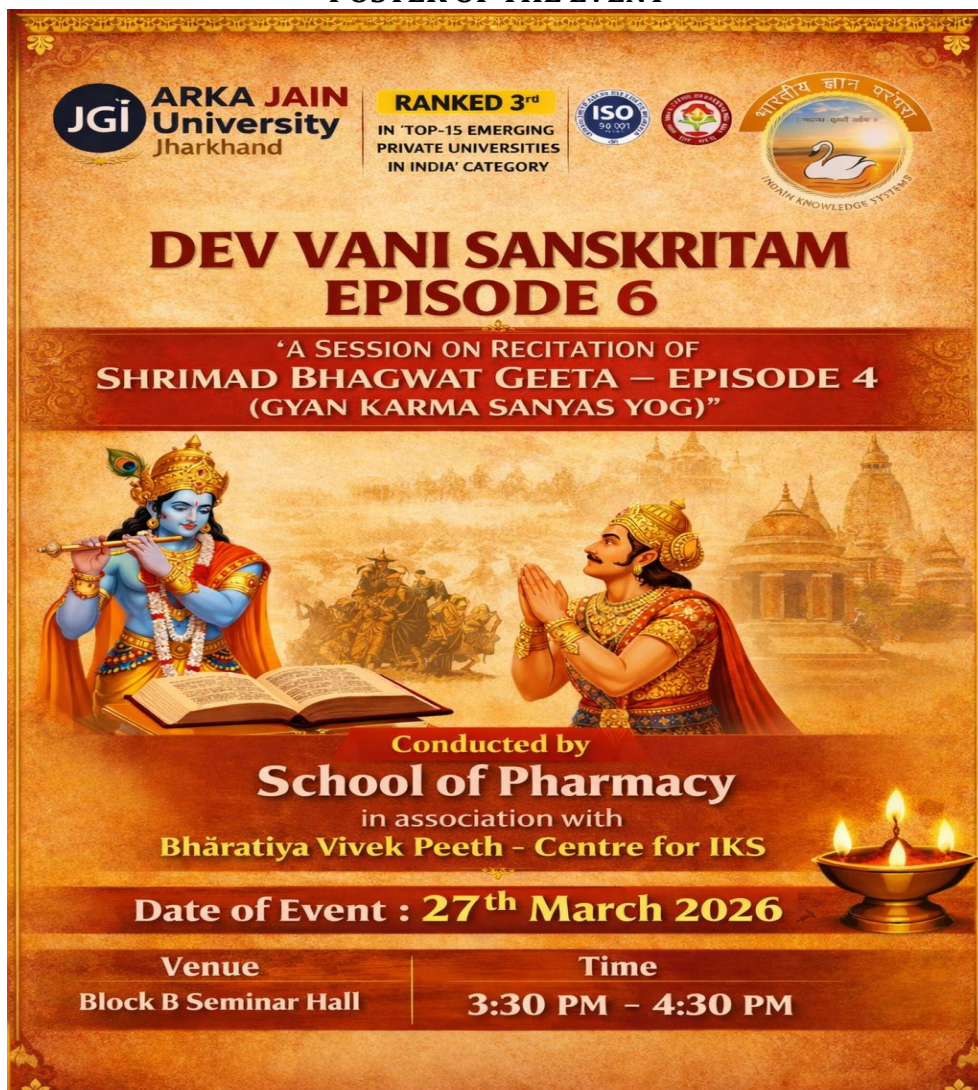

**DETAILS:** The Shrimad Bhagwat Geeta is a timeless spiritual text that imparts profound knowledge on duty, wisdom, and self-realization. Episode 4, titled “Gyan Karma Sanyas Yog,” emphasizes the importance of knowledge in guiding action and the renunciation of ego while performing duties. To celebrate these teachings, the School of Pharmacy at ARKA JAIN University organized “Dev Vani Sanskritam Episode 6,” a recitation competition based on Episode 4 of the Bhagwat Geeta. The event witnessed enthusiastic participation from students across different departments of the university. The program commenced with a ceremonial lamp lighting, symbolizing knowledge and enlightenment. The event coordinator, Ms. Ankita Moharana, welcomed the participants and highlighted the significance of the Geeta in modern life. Participants then recited verses from Episode 4 with devotion, clarity, and confidence. The recitations reflected not only linguistic proficiency but also a deep understanding of the philosophical essence of the verses. The atmosphere of the seminar hall was filled with spiritual energy and reverence.

A panel of judges evaluated the participants based on pronunciation, clarity, expression, and overall presentation. After careful deliberation, the best three performers were selected and awarded certificates of appreciation. The event successfully provided a platform for students to showcase their talent while deepening their connection with traditional Indian knowledge systems.

**OUTCOMES:** The session enhanced awareness about the teachings of the Bhagwat Geeta while encouraging active student participation in cultural and spiritual activities. It also contributed to improving Sanskrit recitation and public speaking skills among the participants. Furthermore, the program promoted important values such as discipline, selflessness, and the pursuit of knowledge, and strengthened appreciation for Indian Knowledge Systems (IKS).
