SEMINAR PRESENTATION ON MENTAL HEALTH NURSING-I

Date of Event	27.02.2026 to 13.03.2026
Name of the Event	Seminar Presentation on Mental Health Nursing-I
Type of the Event	Interactive and Participative Learning
Conducted by	School of Nursing, ARKA JAIN University
No. of Participants	22

OBJECTIVES: To effectively communicate research or information, stimulate discussion, and receive constructive feedback. It aims to develop public speaking and critical thinking skills, enhance knowledge on a specific topic, and foster networking opportunities between presenters and the audience.

DETAILS: A seminar on Mental Health Nursing-I was successfully conducted by the B.Sc. Nursing 5th Semester students on 27.02.2026 TO 13.03.2026 in Classroom No. 134. The event commenced at 09:00 AM and concluded at 11:00 AM. The seminar aimed to enhance the understanding of psychological disorders among nursing students, with a specific focus on recent advancement in Mental Health Nursing. The event was divided into four groups, with each group assigned a unique topic for presentation. Students utilized a combination of chart papers and PowerPoint slides to effectively deliver their topics. The presentations were highly informative and reflected the students' dedicated efforts and in-depth research. Topics Presented Expanded roles for advanced practice mental health nurses, Artificial Intelligence (AI) in Mental Health Nursing, Expanding telemedicine (TELEMANAS) in mental health nursing, Mental Health Care. Each group presented their topic with clarity and professionalism, and the audience showed active participation by asking relevant questions and engaging in discussions with the respective groups. This interaction greatly enriched the learning experience for all attendees. The session evaluator were Prof. Ginu Anie Joseph (Principal) Ms. Nisha Rani Mahto (Nursing Tutor). The evaluators appreciated the students' enthusiasm, research, and presentation skills. The seminar concluded with words of encouragement from the faculty, emphasizing the importance of mental health awareness in nursing education and practice.

TAKEAWAY (OUTCOMES): Students gained knowledge about recent advances in mental health nursing. They developed skills in identifying, discussing, and managing related mental health conditions. Participants showed improved confidence in presenting and engaging in mental health topics.
