OBSERVATIONAL VISIT TO BLOOD BANK

Date of Event	20.03.2026
Name of the Event	Observational visit to Blood Bank
Type of the Event	Experiential learning
Conducted by	ARKA JAIN University, School of Nursing
No. Of Participants	38

OBJECTIVE:

The objectives of a blood bank are centered around ensuring safe, adequate, and timely availability of blood and blood components. BLOOD BANK in healthcare institutions help to understand Blood Grouping and typing .

DETAILS:

School of Nursing, ARKA JAIN UNIVERSITY organises observational visit on BLOOD BANK for the B.Sc. Nursing 3rd Semester students (2024–2028 batch) at MGM Hospital. The visit aimed to provide practical exposure to students regarding understand how blood is safely collected, processed, stored, and used to save patients' lives in a clinical setting event was conducted on 20th March 2026 and was led by Miss Susmita Ghosh (Nursing Tutor) and Miss Chinmayee Behera (Nursing Tutor). During the visit, the staff nurse of MGM Hospital efficiently guided the students to the blood bank unit. She explained the entire workflow of the department in a clear and systematic manner, including cleaning, disinfection, packing, storage, and distribution of blood. The importance of maintaining availability of safe and compatible blood for transfusion to save lives and support medical treatments. The staff nurse also interacted with the students and patiently clarified their doubts, making the session highly informative and engaging. We would like to express my sincere gratitude to our respected Principal, Prof. Ginu Anie Joseph, and Vice Principal, Prof. Shilpa J, for providing this opportunity. Special appreciation goes to the staff nurse of MGM Hospital for her clear explanations and for efficiently guiding the students throughout the visit.

TAKEAWAY (OUTCOMES):

The observational visit to the BLOOD BANK at MGM Hospital was a valuable learning experience. It helped students bridge the gap between theoretical knowledge and practical application, thereby enhanced their clinical understanding and competence.
