MODEL PRESENTATION ON GLOBAL WARMING & SOURCES OF WATER AND AIR POLLUTION

Date of Event	14-03-2026
Name of the Event	Model presentation on global warming & sources of water and air pollution
Type of the Event	Participative Learning Program
Conducted by	School of Nursing, ARKA JAIN University
No. of Participants	22

OBJECTIVE:

The objective of the model presentation is to create awareness about global warming and explain its causes and effects on the environment.

DETAILS:

The School of Nursing, ARKA JAIN University, organized a model presentation on “Global Warming and Sources of Air and Water Pollution” as part of a participative learning program under the subject Community Health Nursing-I (Environmental Science & Epidemiology). The event was conducted for B.Sc. Nursing 5th semester students, where a total of 22 students actively participated and presented their models, demonstrating awareness about environmental issues, their causes, effects, and preventive measures. Students creatively designed models using eco-friendly and recyclable materials to depict real-life environmental problems such as industrial pollution, deforestation, waste disposal, and greenhouse gas emissions. Each group explained their models with clarity, highlighting the impact of pollution on human health and the ecosystem. The presentation also promoted teamwork, critical thinking, and communication skills among students. Faculty members appreciated the innovative ideas and efforts of the participants, making the event informative, interactive, and impactful for all. The event was coordinated by Ms Priyanka Tudu, Assistant Professor, and Ms Rishali, Nursing Tutor. The model presentation was conducted under the guidance of Prof. Ginu Anie Joseph, Principal and Prof. Shilpa J Vice Principal.

TAKEAWAY (OUTCOMES):

Students developed a clear understanding of global warming, including its causes and effects on the environment & they identify major sources of air and water pollution and understand their harmful impacts on nature and human health.
