OBSERVATION VISIT TO OPD, IPD & ICU

Date of Event	27.04.2026
Name of the Event	Observation visit to OPD, IPD & ICU
Type of the Event	Experiential Learning
Conducted by	School of Nursing
No. of Participants	38

OBJECTIVE: The objective of visiting the OPD, IPD, and ICU is to help nursing students understand the organization and functioning of different hospital departments, observe patient care procedures, learn communication and professional skills, gain knowledge about disease management and infection control practices, and develop awareness regarding emergency, critical, and inpatient nursing care along with the role of nurses in providing holistic patient care.

DETAILS: School of Nursing organized a visit to OPD, IPD & ICU for B.Sc. Nursing III semester (Batch 2024-2028) in MGMH Dimna Jamshedpur from 8am to 12 pm. Students experienced a practical learning environment during the visit to the OPD, IPD, and ICU. They observed how healthcare professionals provide patient care, maintain records, communicate with patients and relatives, and follow infection control practices. In the OPD, students learned about patient assessment and outpatient services; in the IPD, they observed bedside nursing care and ward management; and in the ICU, they gained knowledge about critical care equipment and monitoring of seriously ill patients. The visit improved their confidence, observation skills, professional attitude, and understanding of hospital functioning and nursing responsibilities.

TAKEAWAY (OUTCOMES): The outcome of the visit to the OPD, IPD, and ICU were improved understanding of hospital organization and patient care services, enhanced knowledge of nursing responsibilities and infection control practices, development of communication and observation skills, and increased awareness about emergency and critical care management. The visit also helped students build professional confidence, teamwork skills, and practical exposure to real clinical settings.
