CAMPUS PLACEMENT DRIVE BY MEDPLUS SCHOOL OF PHARMACY, ARKA JAIN UNIVERSITY, JHARKHAND

Date of Event	22.04.2026
Name of the Event	MedPlus Placement Drive
Type of the Event	Placement drive for B. Pharma and D. Pharma Students
Conducted by	School of Pharmacy in Association with MedPlus MoU Partner
No. Of Participants	111

OBJECTIVE:

The primary objective of the campus placement drive was to provide final-year pharmacy students with employment opportunities in the retail pharmacy sector. The event aimed to:

- Facilitate direct interaction between students and industry recruiters
- Provide career opportunities as pharmacists for D. Pharm and B. Pharm students
- Enhance students' employability skills and industry exposure
- Support students in securing placements with a reputed pharmacy chain.

EVENT DETAILS:

The placement drive was organized by the Department of School of Pharmacy in collaboration with MedPlus, one of the leading pharmacy retail chains in India, and was conducted on 22nd April 2026 at the ARKA JAIN University campus. A total of 115 students actively participated in the recruitment process, including 29 students from D. Pharm and 86 students from B. Pharm and other pharmacy programs. The selection process included a pre-placement talk by company representatives, followed by screening and interview rounds, where candidates were evaluated based on their academic performance, communication skills, and technical knowledge. During the session, students were informed about job roles, responsibilities, salary structure, benefits, and career growth opportunities within the organization. The offered role was Pharmacist, with job locations across West Bengal.

TAKEAWAY (OUTCOMES):

It is the foundation for learning other languages. It helps you to better understand your own culture and identity. It provides students with information about Indian language.

The placement drive was highly successful and yielded excellent results:
 Out of 115 participating students, 112 students received placement offers
 The drive recorded a high selection ratio, reflecting the preparedness and competence of the students
 Students gained valuable exposure to industry expectations and recruitment procedures
 The event strengthened the collaboration between academia and industry

Additionally, selected candidates were offered attractive salary packages along with statutory benefits such as PF, ESI, bonus, gratuity, and other incentives. Opportunities for career advancement through internal promotion mechanisms were also highlighted.

CONCLUSION

The campus placement drive by MedPlus was a significant achievement for the Department of School of Pharmacy. It successfully fulfilled its objective of providing employment opportunities to students and bridging the gap between academic learning and industry requirements. The overwhelming placement outcome reflects the quality of education and training imparted by the institution.
