NOTICE SCHOOL OF NURSING

Ref. No: AJU/SON/160/26**Date: 24/03/2026**

This is to inform all concerned students that the School of Nursing is organizing a **Practical Demonstration Session on Growth and Development of Pre-schooler** as part of Child Health Nursing I.

The session is designed as a **Demonstration-Based, Skill-Based, and Experiential Learning Activity**, aimed at enhancing students' understanding and clinical skills in assessing growth parameters and developmental milestones of **preschool children**.

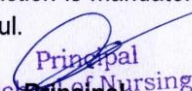

Target Audience: B.Sc. Nursing 5th Semester Students (Batch 2023–2027) posted in the Pediatric Wards

Date: 26th March 2026

Venue: Mahatma Gandhi Memorial Medical College and Hospital

All students are strictly instructed to attend the session in proper clinical uniform and maintain discipline, professional behaviour, and hospital protocol during the demonstration. Active participation and Patient Interaction is mandatory and looking forward in making this session effective and successful.

DEMONSTRATION SESSION ON GROWTH AND DEVELOPMENT OF PRE-SCHOOLER

Date of Event	26.03.2026
Name of the Event	Demonstration Session on Growth and Development of Pre-schooler
Type of the Event	Demonstration & Skill Based, Experiential Learning Activity
Conducted by	School of Nursing, ARKA JAIN University
No. of Participants	40

OBJECTIVE:

To educate mothers, caregivers, and nursing personnel on assessing pre-schoolers' growth and development, promote awareness of appropriate measurement and observation techniques, and strengthen practical skills to support optimal child health outcomes.

DETAILS:

The School of Nursing, ARKA JAIN University, organized a session on Growth and Development Assessment of Pre-schoolers at the Pediatric Ward of Mahatma Gandhi Memorial Medical College and Hospital. The programme was conducted by Vth Semester B.Sc. Nursing students as part of their academic learning under the guidance of Prof. Shilpa J., Vice Principal and Unit In-Charge, and under the supervision of Ms. Disha Bhattacharyya, Clinical Supervisor. The session followed a demonstration-based, skill-oriented, and experiential learning approach, wherein students effectively demonstrated measurement and observation techniques for assessing the growth and development of pre-schoolers, highlighting the importance of accurate assessment and child-centered care. Mothers, caregivers, and staff nurses actively participated in the interactive learning process. The session proved highly beneficial in enhancing the knowledge and practical skills of caregivers and nursing personnel. Students exhibited commendable communication, teamwork, and professional competence, while promoting awareness and supporting optimal child health outcomes. The success of the programme reflects the visionary leadership of our Principal, Prof. (Mrs.) Ginu Anie Joseph, and the continuous support of our Honourable Chairman, Prof. Dr. S. S. Razi, thereby strengthening hospital-based, skill-oriented, and experiential nursing education.

TAKEAWAY (OUTCOMES):

The programme significantly improved practical knowledge of preschoolers' growth and development using an interactive, demonstration-oriented approach, emphasizing precise assessment and child-focused care.
