It is to notify all the students that the Department of Optometry, School of Allied Health Science, is organizing a Skill Development Program titled "Vision Mastery Workshop: Scleral & Ortho-K Excellence."

All students are instructed to attend this workshop to enhance their clinical competencies in specialty contact lenses and gain valuable insights from our esteemed guest speakers. Students are requested to comply with the same and ensure active participation.

Event Details:

Date: 16th & 17th April 2026

Time: 10:00 am onwards

Venue: JEH Auditorium A-Block

Guest Speakers:

Mr. Gagan Sahni – Director, Silverline Laboratories, New Delhi, India

Mohd Tahseen Raza Khan – Professional Services, VisiXpert

VISION MASTERY WORKSHOP: SCLERAL & ORTHO-K EXCELLENCE

Date of Event	16.04.2026 to 17.04.2026
Name of the Event	Vision Mastery Workshop: Scleral & Ortho-K Excellence
Type of the Event	Professional Skill Development Program
Conducted by	Ms. Parna Dhara, Department of Optometry, ARKA JAIN University in association with MoU partner Silverline Laboratories, New Delhi
No. Of Participants	55

OBJECTIVE:

The workshop aimed to enhance clinical knowledge and practical skills in advanced contact lens practices, specifically focusing on scleral lenses and orthokeratology (Ortho-K). It was designed to provide participants with hands-on exposure, improve fitting techniques, and understand modern advancements in specialty contact lenses. The program also intended to bridge the gap between theoretical knowledge and real-world clinical application.

DETAILS:

Department of Optometry, School of Allied Health Science, ARKA Jain University, in association with MoU partner Silverline Laboratories, New Delhi successfully organized a two-day "Vision Mastery Workshop: Scleral & Ortho-K Excellence" on 16th and 17th April 2026 at the JEH Auditorium, A-Block. The workshop commenced at 10:00 AM, with the inaugural ceremony formally beginning at 11:30 AM. The event started with a ceremonial lamp lighting, symbolizing the pursuit of knowledge and academic excellence. The ceremony was graced by Dr. Angad Tiwari, Pro-Vice Chancellor, and Mr. Jabir Singh Dhanjal, Joint Registrar, along with esteemed faculty members of the Department of Optometry, ARKA Jain University. Their presence added significance to the occasion and encouraged participants to actively engage in the learning process. Several other participants joined from other organizations and institute of Jamshedpur and Ranchi. The workshop featured expert-led sessions by distinguished professionals in the field. **Mr. Gagan Sahni, Director of Silverline Laboratories, New Delhi**, shared his extensive experience and expertise in specialty contact lenses, focusing particularly on scleral lens design, fitting philosophies, and clinical applications. **Mr. Mohd Tahseen Raza Khan from Professional Services, VisiXpert**, delivered insightful sessions on orthokeratology (Ortho-K), highlighting its role in myopia control, patient selection, and practical fitting strategies. The academic sessions were carefully structured to include a blend of theoretical knowledge and practical exposure. Topics covered included advanced contact lens technologies, scleral lens fitting techniques, ortho-k principles, and recent

innovations in specialty lenses. The sessions also incorporated case-based discussions, allowing participants to analyze real-life clinical scenarios and develop problem-solving skills. Hands-on demonstrations were a key highlight of the workshop, where participants observed and learned essential procedures such as lens selection, fitting assessment, fluorescein evaluation, and troubleshooting of common complications. Emphasis was also placed on patient management, follow-up care, and ensuring optimal visual outcomes. The interactive nature of the workshop encouraged active participation, with attendees engaging in discussions, asking questions, and clarifying clinical doubts. The program proved to be highly beneficial for students, interns, and professionals, enhancing both their theoretical understanding and practical competence in specialty contact lens practice. Overall, the workshop was a comprehensive and enriching academic experience that successfully bridged the gap between classroom learning and clinical application in modern optometry practice.

TAKEAWAY (OUTCOMES):

The workshop enhanced participants' understanding of scleral and orthokeratology lens concepts while improving their clinical skills in specialty contact lens fitting. It provided valuable exposure to real-world case scenarios and helped develop effective problem-solving techniques. Additionally, it increased awareness of recent advancements in contact lens technology and strengthened practical knowledge essential for professional optometry practice.
