NOTICE

SCHOOL OF NURSING

Ref No: AJU/SON/149/26

Date: 20/03/2026

This is to inform all the students and faculty members that the **School of Nursing** in association with **Department of Biotechnology, ARKA JAIN University** will observe **World Haemophilia Day 2026** under the theme "**Diagnosis: First step to care**" on **17/04/2026 from 10:00 AM onwards** at Mohanpur Village in association with the **Student Nurses' Association of India (SNAI) under the flagship of Unnat Bharat Abhiyan (UBA) Cell**. This programme comes under **Experiential Learning, Community-Based Learning, and Extension Activity**, as it involves direct community interaction, health education, and practical exposure beyond the classroom.

The programme aims to **increase awareness about haemophilia and other bleeding disorders, highlight the importance of early diagnosis, proper treatment, and promote community understanding and support for individuals living with haemophilia.**

The activities will include:

- **Awareness talk** on haemophilia and its management
- **Poster presentation** on bleeding disorders
- **Community awareness interaction** with participants

All students are instructed to actively participate in the programme. Students are requested to come in proper uniform and maintain discipline throughout the programme.

WORLD HAEMOPHILIA DAY

Date of Event	17.04.2026
Name of the Event	World Haemophilia Day
Type of the Event	Extension Activity
Conducted by	School of Nursing, ARKA JAIN University in association with Department of Biotechnology, Student Nurses association of India (SNAI) and Unnat Bharat Abhiyan (UBA)
No. of Participants	43

OBJECTIVE:

To increase awareness about haemophilia and other bleeding disorders, emphasize the importance of early diagnosis and proper treatment, and promote community understanding and support for individuals living with haemophilia.

DETAILS:

On the occasion of World Haemophilia Day , the School of Nursing, ARKA JAIN University in association with the Department of Biotechnology organized a community-based programme on 17.04.2026 at Mohanpur Village from 10:00 AM onwards under the theme “Diagnosis: First Step to Care.” The event was conducted as an experiential learning and extension activity to spread awareness about haemophilia and other bleeding disorders, stressing the need for early diagnosis, appropriate treatment, and community support. The programme featured an awareness talk on haemophilia and its management, poster presentations, and interactive community engagement, all of which were prepared and delivered by B.Sc. Nursing 1st Semester students. A total of 43 members actively participated in the programme. The event was coordinated by Ms. Rishali and Ms. Manisha Kumari (Nursing Tutor), under the guidance of Prof. Ginu Anie Jospeh, Principal, School of Nursing, Dr. Santosh Kumar Singh, HOD, Dept. of Biotechnology and Prof. Shilpa J, Vice Principal contributing to the successful execution of the programme.

TAKEAWAY (OUTCOMES):

The programme enhanced community awareness about haemophilia and other bleeding disorders, helping participants understand the importance of early diagnosis and timely treatment. It improved knowledge regarding management and prevention, reducing myths and misconceptions.

POSTER OF THE EVENT

The poster is for World Haemophilia Day 2026, featuring a red ribbon symbol and blood drop graphics. It includes logos for JGi Arka Jain University, NAAC Grade A, and the Student Nurses Association of India (SNAI). The event is organized by the School of Nursing and Department of Biotechnology, with a theme of "Diagnosis: First Step to Care". It is in collaboration with SNAI under the Unnat Bharat Abhiyan (UBA) Cell. The date is 17th April 2026, starting at 10:00 AM, at Mohanpur Village. Convenors are Prof. Ginu Anie Joseph and Dr. Santosh Kumar Singh. Event coordinators are Ms. Rishali and Ms. Manisha Kumari. The poster also features images of a nurse examining a child and a group of nurses.
